Crisis and Consequence Management

Crisis Definitions

USJFCOM Joint Force HQ Homeland Security

Crisis Response - Support provided to prevent or respond to a potential or actual terrorist incident. Response incorporates and emphasizes prevention, crisis mitigation, and criminal prosecution of terrorists. Includes proactive measures of prevention, immediate incident response, and command & control.

Management

QRF/RRF Background

USJFCOM Joint Force HQ Homeland Security

USCINCFJCOM Intent:

- Establish a lightly armed force that is quickly deployable with minimal lift and is capable of providing immediate, or emergency response, to threats, consistent with Federal/State law and Department of Defense regulations

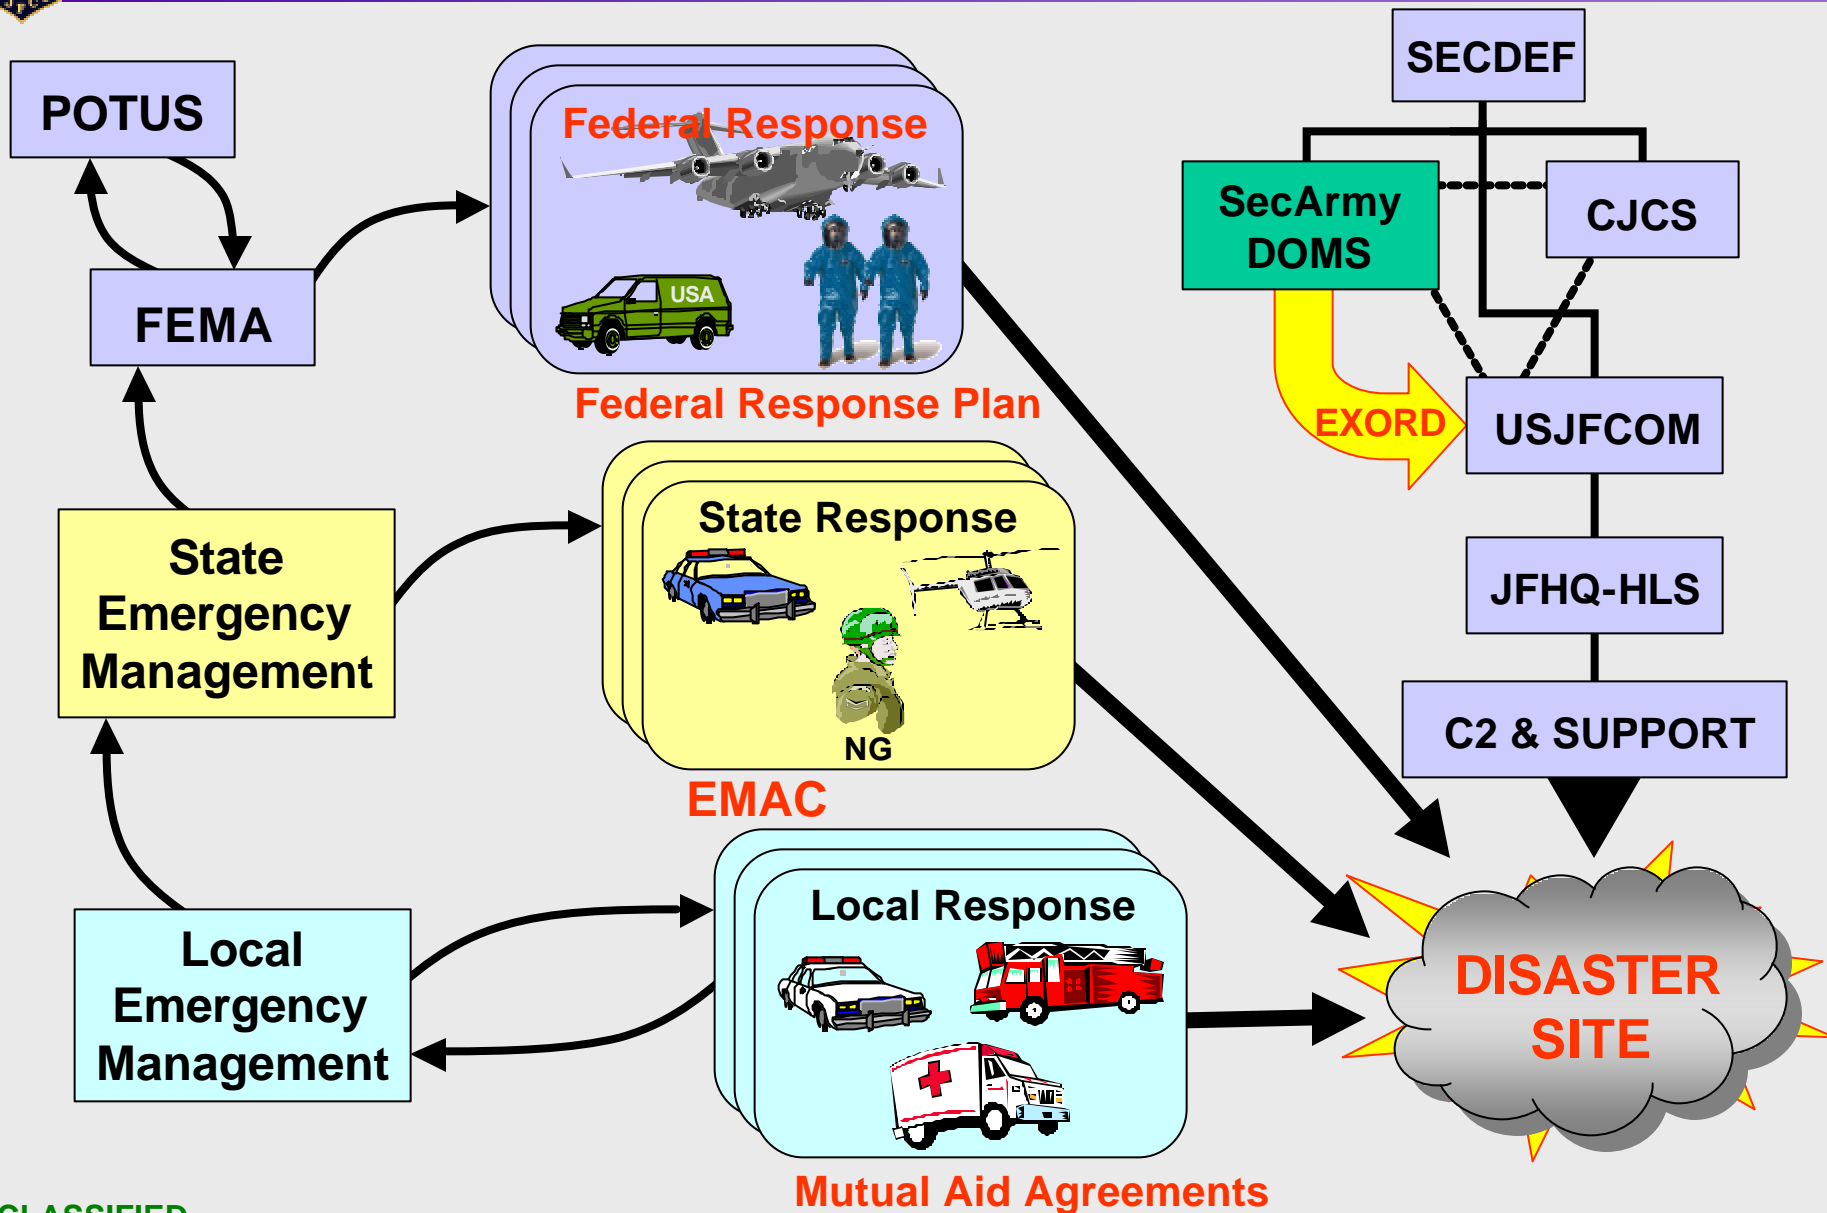

Potential missions include:

- Site security
- Presence patrols
- Show of force
- Control of Civil Disturbance
- Establishment of road block and/or check points
